Lifestyle & Fashion Editorial Intern

We are looking for a highly organized, motivated and creative Editorial Intern to join The Verticale team. You'll support the ideation and execution of editorial content on the company's website, social media channels and email marketing. Responsibilities will include researching and curating content for compelling market stories, as well as short write-ups about the brands and products featured (sample headlines include: "The Best Women's Denim Brands The Internet Has To Offer" or "15 Travel Essentials You Need This Winter"). By creating exiting stories that build engagement, you'll play an important role in driving early viewership to the company's website and social media channels. Product categories span across both women's and men's interest across fashion, lifestyle, beauty, grooming and home.

We are looking for interns to start asap in preparation of our April 2018 launch! Candidates will ideally be able to dedicate 5+ hrs per week to the internship.
