## **Social Media Intern**

We are looking for a highly organized, motivated and creative Social Media Intern to join The Verticale team. You'll support the ideation and execution of content on the company's social media channels. Responsibilities will include developing content that aligns with upcoming editorial posts across lifestyle and fashion categories – apparel, beauty, grooming and home. By driving social engagement, you'll play an important role in our early growth.

We are looking for an intern to start asap in preparation of our April 2019 launch! Candidates will ideally commit 4+ hrs per week to the internship.

## **About The Verticale**

The Verticale is a digital platform that connects meaningful brands with the consumers who seek them. We focus on the future generation of brands, the retail disruptors, known for better serving their customers through more authentic and direct connections. Launching April 2019.
